

REGION 2

**REGIONAL AWARD CEREMONY
PROGRAM**

JUNE 2018

Dear Colleagues:

Year after year, Region 2 staff and managers continue to distinguish themselves. This past year, in particular, Region 2 staff took on the challenges of hurricane response and recovery work while continuing the Agency's important work to protect people's health and the environment throughout the region. I am proud of our diligent efforts to cultivate partnerships and engage members from all sectors in order to execute this critical mission.

I want to congratulate all of our award winners for their accomplishments and, most importantly, for their perseverance and commitment. I am very honored to be with all of you here today.

Sincerely,

*Peter D. Lopez
